

## G. M. COLLINS ARRESTED FOR BURGLARY

Said he Could Furnish Bond if Turned Loose Another Day.

G. M. Collins, ex-convict, was arrested in the Martin Hotel about four o'clock Sunday morning by Deputy Sheriff Joe Jackson, after he had burglarized a number of homes in Monett. He was identified by Conductors Wiedman and Bebee, who room at the Massey rooming house on Fifth street. Mr. Jackson placed him in the city jail and Sunday morning he was taken before Judge Hobbs where he waived preliminary hearing and was placed under a \$2,000 bond.

Wm. Houston sheriff of Barry county, was called at Cassville and came Sunday evening and took Collins to Cassville where he was placed in the county jail to await his trial.

The first place he entered was the Massey rooming house on Fifth street. In the rooms of Conductors Wiedman and Bebee, he took \$20 from Wiedman and \$10 from Bebee. He then entered Guss Bruenn's room and took from his trouser pockets \$112.50 and a silver watch. Conductor Wiedman was awakened when the burglar entered his room and asked him what he wanted and Collins replied, "That he was looking for a room." Wiedman followed him into the hall, and found that he had gone through the pockets of his trousers and left them in the hall. Wiedman then awakened his room-mate, Mr. Bebee, and they dressed and went down stairs, calling Mr. Massey, the proprietor of the rooms, and told him they had been "touched." Mr. Massey called Deputy Sheriff Jackson and with the co-operation of the telephone operator located Mr. Jackson and within a half an hour Mr. Jackson had the burglar under arrest.

Collins went to the Martin hotel and registered and was starting to his room when Mr. Jackson entered the lobby of the hotel. He was placed under arrest and after his identification he was placed in the city jail.

He entered the residence of Pat Martin, 311 Seventh street, when he took about four dollars and a diamond ring valued at about seven or eight hundred dollars. At W. F. Landrum's home 507 Sixth street he did not take anything and also took nothing from John Walsh's in the same block. At John Dwyer's, 309 Sixth, he took a gold watch and several dollars. Mr. Jackson found a savings bank in front of the Dwyer home, which had been opened and the money taken out. The number of the bank was 426, and the owner may have same by calling at his office.

Mr. Jackson says that Collins is the man arrested here a number of years ago for robbing the residence of Dr. A. S. Hawkins. He is thought to be the robber who has been entering homes and hotels at Springfield, Peirce City, Sarcoxie and Wichita, Kansas.

He was asked if he could furnish bond and answered, "He could if they would turn him loose for a day."

## MONETT HIGH SCHOOL LOSES DEBATE

Judges Decide in Favor of Ava Debators by a Two to One Vote.

In one of the hottest and most intellectual high school debates ever held in this vicinity, the Monett high school debating team lost a two to one decision last night to the Ava high school team. Monett upheld the negative side of the question; Resolved that the National Government of the United States should own and control our merchant marine.

The debate was strong in every detail; every issue being dismissed with much enthusiasm. The thought work of the debaters, especially that of the Monett boys, was of a very superior quality. This was especially noticeable in their rebuttal speeches. All speakers were gifted with good voices and their stage presence was very free and easy.

The debate was held in the high school auditorium before a small audience, composed almost entirely of high school students. Very few of the citizens of Monett took the opportunity to see what their high school is developing in the way of public speakers.

The members of the team from Ava were Sloy Hitchcock and Lester Carriek. The Monett representatives were Oval McCubbin and Herschel Medlin.

The judges of the contest were Prof. J. W. Shannon of Springfield, C. W. Anderson and Aurora and Geo. W. McMurry of Jasper.
